The Passengers' Voice

For travellers between Oxenholme & Windermere

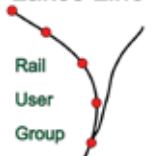

The Lakes Line Rail User Group

was formed in 1984 and since then has been working to improve and promote this important line, the only railway line which runs into the Lake District. We represent passengers using the line, and the junction station at Oxenholme.

We also promote the line as an integral part of the public transport network of the area, playing an important role in keeping local residents mobile, and bringing visitors into the area.

Lakes Line

The Group's Notable Successes Include:

- Raising £15000 locally as the community contribution to the new Windermere station and contributing £1000 to the new station shelter at Kendal;
- Providing the floral displays at Windermere station (in association with Windermere Town Council and TransPennine Express);
- Working with local businesses and public authorities to celebrate the line's 140th and 150th anniversaries;
- Bringing together local businesses and organisations to found the Community Rail Partnership. The CRP has extended the Group's work in marketing the line as part of Cumbria's tourist industry;
- Establishing reliable data about passenger numbers using the Lakes Line through our regular on-train surveys.

We have regular contact with Network Rail, owners of the line itself, First TransPennine Express (who run the trains to Windermere, and also Manchester and Scotland) and Virgin Trains (who operate to London, Birmingham and Scotland) over timetables, and facilities and connexions at stations.

Oxenholme
to
Windermere

Join us:

Membership is open to individuals, families and corporate bodies. Some members are very frequent users of the Lakes Line or Oxenholme station, others use the line less often but wish to support our work. We welcome members from outside the line's area as well as local members.

Our Membership fees are:
Individual £5.00 and Family £7.00

If you wish to join us, please fill in and tear off the form and send it, with your payment to the Membership Secretary, Phill Bell, 9 Vicars Hill, Kendal LA9 5DA.

or you can visit our website:
